2026 Minnesota primary election voter guide

Minnesota's primary election for the 2026 midterms is scheduled for August 11, with the general election set for Tuesday, Nov. 3.

Who's on the ballot?

This primary contest will narrow the field of candidates to determine who will appear on the general election ballot this November.
For partisan races like U.S. Senate, Congress and the Minnesota Legislature, candidates will be listed in columns for each major party. Voters are only allowed to vote in one column for one political party; voters cannot cross over and vote in another party's races, or their votes will not count.
Nonpartisan races, like many city and township races, are on the back of the ballot, where votes can be cast for any of the candidates.
Mark your calendar and get out and vote.

If anyone who is receiving the newsletter through the United States Postal Service and has an email address, please consider having it delivered electronically. It would save the Club money on printing and mailing your newsletter each month. Please contact Brian Dunagan at 507-261-1369 or email at Bdunagan400r@gmail.com if this option would work for you.
