Wild Game Feed will be postponed

The Sportsman's Club is disappointed to report that the Wild Game Feed scheduled for January 16, 2021, will be postponed. We do not have an alternate date set at this time. On the bright side, the board members will still be conducting the raffle on January 16th as planned. All winners will be notified and their prizes will be mailed.

We need those who still have tickets in their possession to get them sold and turned in as soon as possible.

Please don't wait to turn in your unsold tickets, as we will not be able to sell them at the Game Feed as in years past. We are relying on each of you who have tickets to get them sold. It is important to the club to sell all the tickets, as this is our biggest fundraiser for the year. If you have any questions please call Ray Babcock at 507-259-0990.

Please be advised that some requests are being made for the December Club meeting being held on the 8th at 7:00 pm. We know that people have many different views on this matter, but please be considerate of the recommendations that we have to abide by in order to hold the Stewartville Sportsman's Club meetings. An order was put out as of July 8th that states: "All individuals shall wear a face covering in indoor areas that are open to the public." Please, if you are sick or not feeling well, do not come to the meeting. If you are planning on coming to the meeting and are worried about COVID-19, take the appropriate measures to keep yourself safe as prescribed. We will try and abide the best we can to the social distancing guidelines. Hope to see you at the next meeting.

Even though the Game Feed is postponed, we are still taking wild game. If you have anything you would like to donate, please contact Brad Amos at 507-251-8218. Please mark clearly what it is and the weight on each package.
