A name will be added to the display as Tom Harnack is our 2020 Stewartville Sportsman's Club member of the year. Tom owned and operated Harnack's Furniture store for 45 years and after retiring in 2005 has enjoyed his hobbies of fishing, hunting, golfing, and bowling. He has been a member of the Stewartville Sportsman's Club for over 35 years and is our current Vice President. Tom managed all the rentals for 8 years, where he took bookings, showed the club, and took care of behind-the-scenes items related to renting the club. He has always helped sell products out of a Pepsi trailer at our vending venues such as the annual Spring Creek Nationals in Millville, Summerfest in Stewartville, and many more over the years. It is these vending venues which help our club make money to support programs and help pay our operating costs. Tom always takes part in our club clean-up days or any other request of our membership. He has also been a member of the Upper Root River Ducks Unlimited Club for over 20 years in which he currently resides on the board. Tom is also a 55 year service member of the Sertoma 700 Club which is a service to mankind organization where they raise money to help improve the hearing and speech of newborns and youth. It takes members like Tom to make any club successful and we've been fortunate to have him a part of our club over the years. Congratulations Tom, and Thanks for all you do!
