## June 2019 Newsletter

Summerfest 2019 is July 3-4 at Florence Park on Lake Shore Drive. The Street Dance is July 3rd from 5:30pm until 12:30am. July 4th is a full day of fun beginning with Arts in the Park from 10am until 4pm, followed by the Grand Parade at 6:30pm and Fireworks at dusk. There will be people in the park all day and night because most of the activities take place in this area and the parade moves through the park neighborhood as well. Vendors are being asked to operate starting at 5pm on July 3 for the Street Dance. On July 4th, please plan on operating by 10am through the Fireworks. Set up will be on July 2nd between 5:30pm - 7pm – no exceptions. All food vendors will be parked on the blacktop next to the enclosed pavilion.

The Sportsman's Club will be taking part in this year's event, selling our usual menu of tasty steak sandwiches and burgers. We are asking for volunteers to help make this event a success. There will be a sign-up sheet at the June meeting for those who can help. Please check your schedule and help if you can.

The Stewartville Sportsman's Club donated \$300 to Dane Paulson, son of member Rich Paulson, again this year on his quest to raise funds for a worthwhile cause. Dane will be taking part in the annual bike ride to raise funds to stop Diabetes.

#### Support Me in Tour de Cure!

I will be cycling in the American Diabetes Association's Tour de Cure fundraising event as a "Red Rider". A "Red Rider" is a cyclist who actually has diabetes. Please support me with a donation by selecting the "Donate to Me" button. Our efforts will help set the pace in the fight against diabetes. So let's get in gear and ride to **Stop Diabetes!**

#### Help Make a Difference in the fight against diabetes!

Each mile I ride and the funds I raise will be used in the fight to prevent and cure diabetes and to improve the lives of all people affected by diabetes.

No matter how small or large, your generous gift will help improve the lives of over 26 million Americans who suffer from diabetes, in the hope that future generations can live in a world without this disease. Together, we can all make a difference!

Thank you for making a generous contribution to this cause that is so important to me!
