

Byrne Construction will be adding a cement slab on our trap range next week, which will complete the cement work part of our grant project. A couple new LED high intensity lights will be added to our range as well so the targets will be more visible as the sun goes down. A couple gun racks and a little clean up will make our range project complete. Thanks to those who had a part in making these improvements to our club's trap range. Pictures to follow in next month's newsletter.

Card Call Brain Teaser

You have just been dealt three cards. Using the following clues, can you figure out what the three cards are in order from left to right?

1. The only face card, a queen, is to the right of the four of spades.
2. The two cards on either end add up to nine.
3. The diamond is to the right of the heart.
