Mike Hanson did some upgrades on our club's alarm system recently. He donated his time and parts worth over \$500 dollars. As a small token of our appreciation, we offered Mike a business membership for his donation. Mike's wife Heather recently wrote up the paperwork for a grant from the electric company. As it turns out, we were approved for a grant in the amount of \$8000 for a second trap house. This will assist in our trap teams shooting in less time as our teams continue to grow. A huge thanks to Mike and Heather for their time and efforts in improving our sportsman's club.

Top raffle ticket seller Dave Schultz (left) sold 770 tickets earning a \$100 gift card for his efforts. John Russell (not pictured), sold 200 tickets earning a \$60 gift card, and Tom Harnack (right) sold 150 tickets earning a \$60 gift card.

Due to COVID-19, the Stewartville Sportsman's Club will not be offering Firearms Safety Training. When the Department of Natural Resources relaxes the classroom restrictions, we will resume classes at that time.
