Stewartville Sportsman's Club

May 2024 Newsletter

It is safe to say that this year's member of the year has the most seniority of any other member. The Stewartville Sportsman's Club was founded in 1953 by LeRoy (Red) Malone. Red's son, Tim, was a mere 4 years old at that time. Tim recently told me he can remember spending a lot of time at the Club with his dad when he was knee high to his father. He learned early on that this was going to be a part of his family as he grew up. With smelt feeds, banquets, fundraisers, there was always something to do at the Club.

Tim's years of commitment to the Club have helped raise thousands of dollars so the Club can do what we do. The Malone family just hosted the 49th annual 100 Club Party which continues to be a great event for the Stewartville Sportsman's Club. Many hours of work and preparation are required, and many donations are gathered so funds can be raised. A delicious steak and lobster dinner is also prepared and served by many helpers. Blackjack and other games and meat raffles are all part of the festivities during the pre-party and the main 100 Club Party in April each spring.

Tim has also been a big part of the Pheasants and Habitat Forever over the years as well. Tim and his family's dedication to the Club is what keeps it going strong each year. A BIG Thank you to Tim and his children for being such an asset to the Club each year. Pictured below (sitting L-R) Lisa & Tim. (Standing L to R) Brad, Bryan & TJ.

A huge Thank You to the Malone family and many others who helped make this year's 100 Club Party a success. It takes many people to make this a great event for the Club. The SSC appreciates all your efforts in preparing food, running raffles, donations to raffle off, and serving, just to mention a few.
